COMMENT: PEW HAS SHOWED THIS TO BE TRUE FOR YEARS)

**MARCH 2012 Pew: More than half of Americans get news from radio.** **“Traditional radio is by no means a thing of the past”** — so concludes Pew Research Center’s Project for Excellence in Journalism. **Its annual State of the News Media report shows a majority of Americans (51%) still get local news from the radio. That’s more than those who get local information from the newspaper or the internet.**
